## Season of the Crocodile Rock

\_(Parody of 'Crocodile Rock' by Elton John)\_

I remember when night had come.

>Harry Grimbridge was on the run,<br>Being chased by men in ties,

>Never knew that he would meet an ugly demise.<br>But the biggest scare he ever got

>Was watching ads of the Silver Shamrock.<br>While the police were working round the clock,

>Conal Cochran was bopping at the Silver Shamrock.<p>

Well, Halloween's comin'! It's something shocking

>When your kids just can't sit still.<br>They're so excited to wear those masks that give moms and dads the chills.

>Oh, Dr. Challis gave me a fright,<br>When Ellie humped him through the night.

>And that Magic Pumpkin was out of sight.<p>

(SINGING SILVER SHAMROCK  
MASKS)

LAAA!

LA-LA-LA-LA-LAAA!

LA-LA-LA-LA-LAAA!

LA-LA-LA-LA-LAAA!

So the days went by after Harry died.

>Ellie went with Challis to find out why<br>Her dad was murdered by a  
killer machine.

>Soon they uncovered an evil toymaker's scheme.<br>Turning children's  
heads to snakes and bugs

>Was the magic from the Silver Shamrock.<br>Challis stopped Cochran  
and escaped fast.

>He really thought he foiled Silver Shamrock at last.<p>

Well, Halloween's comin'! It's something shocking

>When your kids just can't sit still.<br>They're so excited to wear  
those masks that give moms and dads the chills.

>Oh, Dr. Challis gave me a fright,<br>When Ellie humped him through  
the night.

>And that Magic Pumpkin was out of sight.<p>

(SINGING SILVER SHAMROCK  
MASKS)

LAAA!

LA-LA-LA-LA-LAAA!

LA-LA-LA-LA-LAAA!

LA-LA-LA-LA-LAAA!

So then Halloween night had come.

>Poor dear Ellie had turned to scum.<br>She was nothing of flesh or  
bones.

>Challis ripped her apart and she got her ass owned.<br>But he failed  
to stop the TV plot,

>All devised by the Silver Shamrock.<br>And the boys and girls were  
counting with the clock,

>To watch a big giveaway by the Silver Shamrock.<p>

Well, Halloween's comin'! It's something shocking

>When your kids just can't sit still.<br>They're so excited to wear  
those masks that give moms and dads the chills.

>Oh, Dr. Challis gave me a fright,<br>When Ellie humped him through  
the night.

>And that Magic Pumpkin was out of sight.<p>
